

# HOUSE RULE

Thank you for choosing House The Terminal.

Please read through the Accommodation Contract and Use Regulation carefully.

Any complaints about disturbances to the neighbourhood may result in immediate action being taken against the customer. If you cause any disturbance to the neighbors during your stay, you may be dismissed from the accommodation without reimbursement, regardless of the reservation period. The accommodation is located in a residential area. Please be considerate of the neighbors. Thank you.

## For Noise Prevention

- Machiya houses are built close to neighbouring houses. Please refrain from making noise indoors, outdoors, or on the street to avoid disturbing your neighbours.

It is particularly important to be mindful of noise levels indoors between 9:00 p.m. and 8:00 a.m. When entering or leaving the accommodation late at night or early in the morning, pay attention to any noise you

- It is kindly requested that permission be obtained prior to using the accommodations for business, office, parties (banquets, musical performances), or any other events.

## About Garbage Disposal

- Please follow the signs and place garbage in the designated garbage cans, and do not dispose of it outside the premises.
- Please do not leave large items of trash unattended, including carry cases. Please ensure that you dispose of them yourself.
- To ensure proper waste management, it is recommended to adhere to the guidelines established by the City of Kyoto. For further information on the rules and regulations regarding waste classification, please refer to the following page.

## For Fire Prevention

- To ensure safety and prevent potential malfunctions or fires, it is recommended to refrain from using air conditioners, home appliances, or indoor lighting for extended periods. Furthermore, it is advisable to turn off the power when leaving the room.
- Smoking is not allowed indoors, as well as in yards and streets. Additionally, the Kyoto City Ordinance on Prohibition of Smoking on Streets, etc. prohibits smoking in certain designated areas within the city.

## Other Important Notices

- Please remove your shoes at the entrance when entering the house.
- Please handle shoji screens, sliding doors and window panes with care. In the event of damage or loss, guests
- It is prohibited to remove any dishes or equipment from the room. Guests are responsible for reimbursing any damages or losses at their own expense.
- For your safety, we recommend to lock up the door when you return or go out. We are not responsible for any damage or loss.
- It is prohibited to leave bicycles and other vehicles or goods unattended on the road.
- Large quantities of equipment, excess baggage, and items that we deem dangerous (dogs, cats, and other pets, flammable items, etc.) are not allowed.
- Only guests are permitted to enter the accommodations. Allowing anyone else to enter may be considered a false report of the number of people staying in the accommodation.
- Please do not move any equipment or make any alterations to the accommodations without permission.
